Hello Pianists,

On June 5<sup>th</sup> (the day of the recital) we are having a mandatory practice after school. We will run all of the songs with the singers and instrumentalists and order pizza for those who would like to stay through to the recital. You are required to dress nicely wearing no t-shirts, jeans, denim, flip flops, or tennis shoes. The recital is approximately one hour long. Although tickets will be available at the door, it is recommended that they are purchased in advance. A portion of the proceeds from the recital will be donated to research helping victims of Multiple Sclerosis.
